

What are your recycling, waste reduction or sustainability goals?

- Become a Defender of the **Environment?**
- Achieve Zero Impact at the Plant?
- Improve the Bottom Line?
- Landfill Diversion?

Regardless of your goals, Quincy Recycle is a partner in sustainable solutions.

Since 1974 Quincy Recycle has been a...

- Steward for the environment
- Champion of sustainability
- Warden of waste reduction
- Bastion of big ideas
- Bottom line partner helping businesses reach their sustainability and waste reduction goals

With a focus on paper and plastic recycling and a commitment to superior customer care, Quincy Recycle is your resource in saving the world one recycled material at a time.

One ton of recycled paper saves 17 trees from being harvested and 3 cubic yards of landfill space.

Enough about us... let's see what a few co-defenders of **Mother Earth** are saying about Quincy Recycle.

“Quincy Recycle has been a wonderful partner in our sustainability journey.

They have always been very responsive to finding solutions that make it easier for us, even if it adds steps to their process. When the recycling market was depressed, they continued to provide excellent service and value.”

—Lori D. – General Mills

“Quincy Recycle allows us to meet our Kraft Sustainability Goals.

They provide solutions of diverting waste from landfills and generate revenue of recycled materials.”

—Tamara B. – Kraft Foods

“We have found a win/win/win, reduced cost for trash expense, increased revenue by selling cardboard and plastic, plus it is very Green.”

—Steve G. – Dot Foods

“Quincy Recycle has a thorough knowledge of the recycling business and has provided us exceptional service while keeping tons of our waste from entering the landfills.”

—Steve C. – Materialogic
